

DALE ANN WRIGHT

EMPLOYEE OF THE MONTH DECEMBER 2008

I am nominating Dale Ann Wright for the “Employee of the Month” award for her work on the Safe Routes to School Program. She has been involved with this program for the past 18 months. In addition to Dale Ann’s regular duties, she has been serving on a National Board to assist in preparing a report for the U.S. Department of Transportation. This honor was bestowed upon her due to her continuous and lengthy work with local schools and her expertise in crossing guard management and training. Dale Ann has been with the city for twenty-eight years and does an excellent job with little recognition. The experience of serving on the National Board brought great recognition to West Valley City and shows we are professional in many ways. Please consider Dale Ann Wright for the “Employee of the Month” for her extra efforts in making our community a safer place for our youth.
